

THE JOINT SUBMISSION

- ArcelorMittal has been elected as the Lead Registrant for Iron / Iron, Furnace and Mill Scale
- Corus has been elected as the Lead Registrant for Iron Sinter and Iron Ores, Agglomerates [iron oxide pellets]
- Lead Registrants will create the Joint submissions
 - those wishing to register will need to join the relevant Joint Submission via the ECHA REACH IT portal using their own account - the Lead Registrants [via the Iron Platform] will advise relevant details of the Joint Submissions to Iron Platform members as soon as the JS has been created and to others on purchase of the relevant Letter[s] of Access

JOINING THE JS - 1

with special thanks to Sandra Carey of IMOA

- Before you start, be ready with:
- Your ECHA REACH-IT account details [including Username and Password].
- The Joint-Submission name for the Substance concerned. This will be advised by the Iron Platform Secretariat.
- The Token number for the Substance - this will be emailed to you by the Iron Platform Secretariat. **Please be very aware that you are strictly prohibited from passing the Token number or the Email containing it to any other person or entity. If a different person or entity within your corporate group requires the Token number, please email the Iron Platform Secretariat [ipia@pigiron.org.uk] with their details and request that it be sent directly to them.**

JOINING THE JS - 2

- **Confirming Membership' of a Joint-Submission is a task that must be done by all Member Registrants (also known as Joint-Submissioners), who intend to REACH-register a substance, as follows:**
- **Go on-line into the ECHA REACH-IT system, via the 'portal' on:**
http://echa.europa.eu/reachit/portal_en.asp
- **Enter your REACH-IT Username and Password details to successfully gain access through the portal.**

JOINING THE JS - 3

- Select 'Joint Submission' from the menu on the left-hand side of the screen, then select 'Confirm Membership', as shown below:

The screenshot shows the ECHA REACH-IT user interface. At the top left is the ECHA logo. The main header area contains the text "Reach-IT" and a user status bar indicating the user is logged in as "sandracarey" on behalf of "IMOA", with links for "Preferences" and "Logout".

On the left side, there is a vertical navigation menu with the following items: Company, Pre-registration, Pre-SIEF, Online dossiers, Phase-in Information, Registration / notification, Joint submission, Message box, User account, Invoices, and Search. The "Joint submission" item is highlighted, and a sub-menu is open showing three options: "View joint submissions", "Create joint submission", and "Confirm membership". A red arrow points from the "Joint submission" menu item to the "Confirm membership" sub-item.

The main content area displays a welcome message: "Welcome Sandra Carey. You have 40 unread message(s) in your message box. You last connected on 2010-02-02 17:48:12.0." To the right, there are news items under the heading "REACH-IT News":

- REACH-IT maintenance** (07/01/2010): REACH-IT will be closed on Monday 11 January between 08h00 and 10h00 EET. ECHA apologizes for any inconvenience caused.
- Technical Completeness Check plug-in now available** (18/12/2009): ECHA has released today a IUCLID plug-in to offer the possibility to registrants/notifiers under REACH to check the completeness of their registration dossiers or PPORD notifications before submitting them to the Agency.
- REACH-IT short maintenance** (14/12/2009): REACH-IT will be briefly offline on Monday 14 December between 13h00 and 13h15 due to tasks related to the submission system upgrade.
- REACH-IT unavailability** (02/12/2009): Due to electrical works carried out in the building REACH-IT will be shutdown on Friday 4 December 16h00 EET. Normal service will resume on Friday 4 December 16h00 EET.

JOINING THE JS - 4

- The 'Token Tab' will appear on your screen. In the box for 'Name,' enter the name of the Iron Joint-Submission.
- In the box for 'Token' enter the Token Number. **Be very careful to enter the number accurately. If you get it wrong six times it will block the system and you will have to apply to the Iron Platform Secretariat to have your "counter" reset.**
- When you have completed both boxes, press 'Next'.

The screenshot shows the ECHA website interface. At the top left is the ECHA logo. Below it is a navigation menu with items like 'Company', 'Pre-registration', 'Pre-SIEF', etc. The main content area is titled 'Home > Confirm Membership > Security Token'. There are four tabs: 'Token', 'Contacts', 'Representative', and 'Validation'. The 'Token' tab is active. The main text says 'Please enter the name and the security token of the joint submission for which you wish to confirm membership'. Below this is a note: 'Fields marked with an asterisk (*) are mandatory. Hovering over a (?) sign displays help information.' There are two input fields: '* Name' and '* Token'. A red callout box points to the 'Name' field with the text 'Enter the joint submission name for which you want to become a member'. At the bottom of the form area is a 'Next >>' button. A 'Back to home' button is also visible.

JOINING THE JS - 5

- The 'Contacts Tab' will appear on your screen. Click on the button on the left hand side of the table to select the appropriate contact. If you wish, you can also Enter a new contact using the 'Create a New Contact Information' link and then entering the new contact details.
- When you have selected the appropriate contact button, press 'Next'.

JOINING THE JS - 8

- A new screen will appear that says “Your joint submission membership was successfully submitted to REACH-IT!” - it also shows the Joint-Submission name.
- Press ‘OK’.

The screenshot displays the ECHA REACH-IT user interface. At the top left is the ECHA logo. The main header area contains the text "Reach-IT" and "You are connected as [redacted] behalf of A [redacted]". A navigation menu on the left lists various options: Company, Pre-registration, Pre-SIEF, Online dossiers, Phase-in Information, Registration / notification, Joint submission, Classification and Labelling, Message box, User account, Legal entity change, Invoices, and Search. The main content area shows a confirmation message: "Your joint submission membership was successfully submitted to REACH-IT!" followed by "Joint submission name: Iro [redacted]". A blue "OK" button is positioned below the message. In the top right corner, there are links for "Contact", "Preferences", and "Logout".

JOINING THE JS - 9

- A new screen will appear that lists the details of your Joint-Submission. Read the details on the screen, and if they are not correct then press the 'Modify' button on the bottom line of the screen and follow the instructions to modify.

The screenshot shows the ECHA Reach-IT web interface. The main content area displays the details for a Joint Submission (JS) for the substance [231-096-4] Iron. The page is divided into several sections:

- Substance identification:** Shows the EC Number (231-096-4), CAS Number (7439-89-6), and Name (iron).
- Joint submission information:** Shows the Name (Iron (CAS Number 7439-89-6)), Description (Iron (CAS Number 7439-89-6)), and Guidance on safe use (Section 11) provided by lead (-). The Chemical safety report (Section 13) provided by lead is also shown as (-).
- Lead Dossier information:** Shows the Lead Dossier status as 'Not submitted' with a red cross icon next to it.
- Contact person:** Shows the Contact information section.

A yellow box highlights the text: "the red cross means that the Lead Registrant dossier has not been submitted and accepted for processing".

JOINING THE JS - 10

- If the details are correct, **DO NOT** press the 'Leave' button on the bottom line of the screen because this will start a process for you to leave/depart from the Joint-Submission! If in the future you need to leave a Joint-Submission (because you have decided you will not REACH-register for the substance), then that is the point at which to utilise the 'Leave' function.
